## Special Message From Annie Armen

### I Dedicate Legends in Excellence™ to DAD in Heaven

"I dedicate Legends in Excellence™ - The Series to my number one true Legend, **DAD – Holy Father in Heaven – GOD, His Son, Jesus Christ, and His Helper, The Holy Spirit.** Dad, this is my First Fruit Seed sown into YOU. Legends in Excellence™ has been created and produced on solid ground, and YOU are "THE" foundation, MY ROCK, on which Legends In Excellence™ stands!

My purpose Dad in seeing this project to the end is twofold and very simple: First, I pray that this powerful audio compilation with SOUL will serve as a foundational root for generations to come -- providing a mind-blowing treasure map to the human mind, heart, body and soul, to help ignite our inner passion on purpose, to inspire us to dream bigger, and to guide us toward achieving a life of global excellence in action! Second, I am praying to hear these words from You -- "daughter, I'm proud of you, you've done as I have asked"!

**THERE IS NO SECRET, ONLY THE ANSWER, AND YOU FATHER, ARE THE ANSWER!**

YOU have always been my Answer since before I was born, YOU are my Answer now, YOU are my Answer for all my tomorrow-s!

Thank You Dad for never giving up on me, and I promise I will NEVER GIVE UP on Your Plan 'for / in / and through' me for as long as You WILL for me to live.

In Jesus Name,  
from your daughter,  
from someone who strives to be your best friend everyday,  
Amen."

After You DAD, *the roots of Legends in Excellence™ truly began* with my grandmother, **Noyemik Armen** who taught me these very words at the tender age of 5:

*"The mustard seed is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree.*

*If you have faith as small as a mustard seed, nothing will be impossible for you."  
(Matthew 13:31, 13:32, 17:20)*

As I was growing older, I began to realize that I am my Grandmother's mustard seed sown into this world; my Grandmother is God's Mustard Seed planted in me, and each of us are God's Mustard Seeds planted in this world, constantly multiplying in action, on purpose! Grandma, I thank Dad for the "one and only" gift of you in my life and TREASURE YOU WITH ALL MY HEART!!! Thank you for planting in me the most powerful seeds of all – Faith, Love, and Hope!

**Your Loving Grand Daughter, Annie Armen**
